DON'T BE PARTIAL, BE A PEACEMAKER – Brother Ransome | #ROR

📅 May 24, 2015 (<http://realmsofrhema.com/2015/dont-be-partial-be-a-peacemaker-brother-ransome-ror/>) 👤 RealmsOfRhema (<http://realmsofrhema.com/author/admin/>) 📁 RealmsOfRhemaToday (<http://realmsofrhema.com/category/realmsofrhematoday/>)

Every man wants harmony, the soul of a man is on a continuous quest for peace. Without peace we cannot have relationship, without harmony we cannot co – exist. Even with the violence and the upheavals caused by men, we always tend to resolve so that we can live, think and function in a better state of mind.

There will always be disagreement, there will always be offence but we cannot disagree for too long, it is dangerous for disharmony to persist, the extremity of disharmony cannot be curtailed, it will bring violence and perhaps war. Enmity and resentments are a foe of peace and it should be crushed instantly and without delay or further deliberation.

In as much as we desire to live in harmony with our fellow man or want others to have harmony with themselves, we must understand that no peace will take place unless we find this peace and harmony within us first, this is the priority. If you don't know peace, how can you make others know it? If your house is not in order, how can you put someone else's into

the right place? There is no real peace apart from a relationship with God. A person must have a real relationship with God before he or she can help someone else know God or find an innermost peace.

Jesus made peace with us and the Father, He made peace through the blood of His cross (Colossians 1: 20). This is a clear example of what believers in Christ Jesus are expected to do, and when we carry this message to others irrespective of who they are, we are peacemakers.

Matthew 5: 9 ... "Blessed are the peacemakers, for they shall be called the children of God."

God is happy with those who reconcile unbelievers to Him and also those who reconcile believers with themselves. In fact we have been given a mandate and a ministry of reconciliation, (**2 Corinthians 5 : 21**) and any time you carry out this glorious work of reconciliation, you actually doing the works of Jesus. Make up your mind today to take no side or show favoritism, but be a peacemaker. GRACE TO YOUR HEART!

Marriage is a journey of forgiveness.
It is over when both parties find it hard to.

We gaze at heroes like Dad Hagin, E.W Kenyon, Finney, Hunters, Sumrall, T.L, Wigglesworth, Schambach, Billy Sunday, Seymour, The Archbishop etc.

Don't forget your generation and the next is gazing at you also...

As you are looking at those
